This beautifully-presented and character-laden 5 bedroom 2 bathroom family home plus study is nestled on a quiet street just a few doors across from the lovely Macaulay Park and so close to other everyday amenities in the neighbourhood.

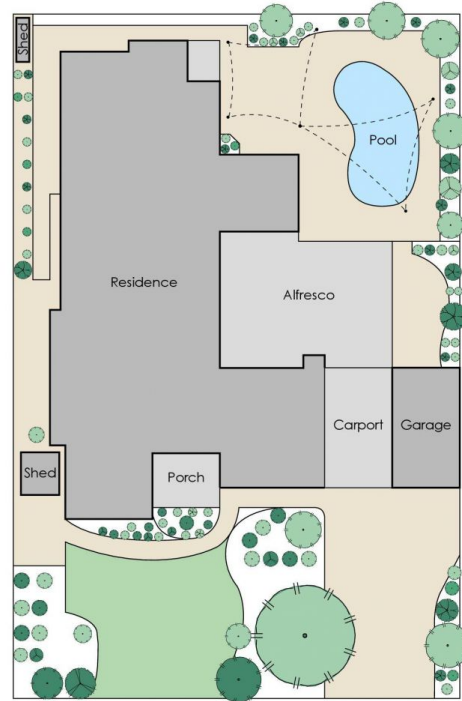

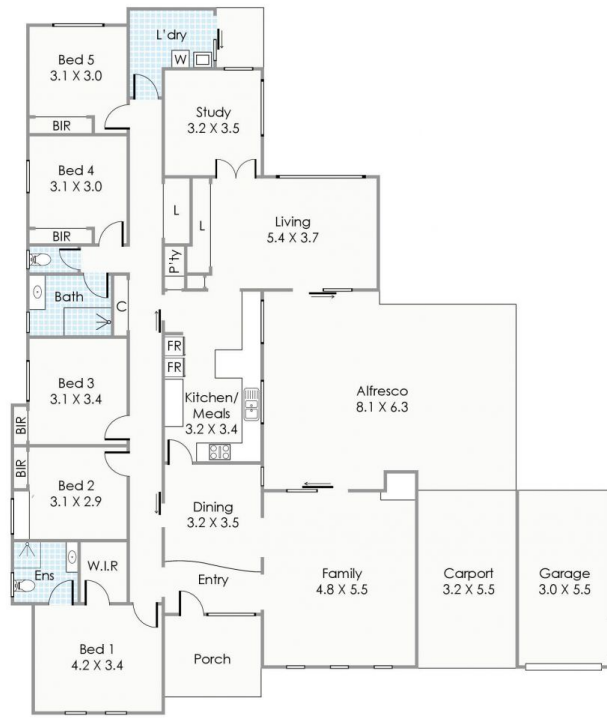

Beyond a leafy frontage lies a carpeted formal lounge room with high cathedral-style ceilings, a fan, a built-in bar/storage area, gorgeous internal brickwork and seamless outdoor access to a huge pitched entertaining patio at the rear complete with a fan of its own, as well as stunning grapevine pergola just adjacent to it. The covered area splendidly overlooks a shimmering below-ground swimming pool and its protective shade sail that is sure to give some respite from the summer heat.
