Walk to the surf, sand, lush parklands and more from the prime "Eden Beach Estate" position of this immaculate 4 bedroom 2 bathroom home that has just about everything you need for comfortable modern living.

As you and your loved ones relax and unwind with only the sensual sea breezes to think about, a neutral colour scheme with soft contemporary decor ensures that living here is not only simple, stylish and sophisticated, but also easy on the eye. All four bedrooms are carpeted under foot, inclusive of a huge front master suite where a generous walk-in wardrobe meets a large ensuite bathroom with a shower, toilet and twin "his and hers" stone vanities. The room's orientation also allows for ample natural light to filter through, especially in the mornings.
